Registration Information

REGISTRATION, PAYMENT AND CONFIRMATION HOW-TOs

Registrations: If your family is paying the whole fee themselves, just send the registration in with either a 50% deposit or the entire fee. If paying the deposit only, mail the balance to the camp prior to the event or pay at the registration table when you arrive.

If your church is paying part of the fee, please indicate on the registration form how much you are paying and how much the church is paying. Then follow your church's instructions for completing and mailing in the form to the Camp Registrar.

If you want to pay with the online option, please indicate so on your registration form, and the camp registrar will email you the information you need to make that payment. Please note: We will NOT accept payments for camp events before we receive the registration form. And please be sure that you include your email address on the form as well.

Confirmations: We are now sending confirmations via email. These will include the camp dean's letter, telling you what to bring and what to expect at your week of camp; a camper information sheet and a camp health form, which should be completed just before camp and brought with you to registration. There will also be a copy of the Canteen Price List included in this packet of information. If you are unable to download any of our forms, let us know and we will mail you whatever forms are needed. Be sure to include your email address on the form or, if you do not have email access, we will send this packet of information to you via regular mail.

Please feel free to contact the Camp Registrar, Linda Allain, at (906) 371-0019 should you have any questions.
